Last modified by: Brock Hutchins

For best results when fixing a 4” Parliament hinge follow these instructions.

Atlantic recommends this product is fitted by a joiner.

Before beginning installation, check the product is as required/ordered.

Separate out all components supplied as follows:
X2 4” Parliament Hinges
X1 pack of 16 screws

1) First, mark out the desired position of the hinge on the door.
2) Next, set the router bit to the correct depth for the hinge leaf.
3) Now, use a jig or free-hand router out for the leaves.
4) Remember to clean up as needed with a chisel.
5) Dry fit the hinge onto the door and adjust as necessary.
6) Then fasten the hinge onto the door using some of the screws provided. Make sure to pilot the hole.
7) Offer up the door to the door frame with the desired clearance from the floor.
8) Now, mark out the hinge position onto the door frame.
9) Remove the door and transfer the marks from the hinge into the rebate.
10) Next, router/chisel out for the hinge on the frame side.
11) Then, test the fit hinge and tune as necessary.
12) Finally, fix the hinge to the door frame using the rest of the screws provided.
